

## **Specification**

|                      |  |
|----------------------|--|
| <b>Product Name</b>  | <b>Velvetein</b>                                     |
| <b>INCI Name</b>     | Glycerin (and) Water (and) Verbascum Thapsus Extract |
| <b>Product Code.</b> | VTAP-GLY   |

| Test Item               | Specification             |
|-------------------------|---------------------------|
| <b>Description</b>      | Brown liquid              |
| <b>Odour</b>            | Characteristic            |
| <b>Specific Gravity</b> | $d_{20}^{20}$ 1.18 ~ 1.24 |
| <b>pH Value</b>         | 4.0 ~ 7.0                 |
| <b>Identification</b>   | Dark purple               |
| <b>Heavy Metal</b>      | Not more than 10 ppm      |
| <b>Arsenic</b>          | Not more than 2 ppm       |
| <b>Microbes</b>         | Bacteria: ≤ 100 CFU/mL    |
|                         | Yeast/Mold: ≤ 10 CFU/mL   |

|                          |   |                     |   |
|--------------------------|---|---------------------|---|
| <b>Storage Condition</b> | Room temperature  | <b>Preservative</b> | - |
| <b>Packing Unit</b>      | 5kg, 10 kg, 20 kg, 200 kg/ PE   |                     |   |
| <b>Shelf Life</b>        | Before opening_2 years / After opening_6 months   |                     |   |
| <b>Remark</b>            | © Identification is measured in accordance with The Secrets of Caledonia 's own test methods. |                     |   |
